JUDGING

JUDGING

The award-winning entries will be selected by an international Jury made up of senior practitioners from PR agencies and consultancies.

The PR jury's voting will be based on 4 criteria: Strategy and Research, Execution, Creativity & Originality and Documented Results.

Each entry will receive 4 marks which will make up the total vote and these marks will be weighted as follows:

Strategy and Research	30%
Execution	20%
Creativity & Originality	20%
Documented Results	30%

The shortlist is decided by a first round of voting. A computerised voting system selects the highest marks given in each category. This forms the shortlist and is the basis for the Juries' discussions and awarding of Gold, Silver and Bronze awards. A Grand Prix is then selected from all the Gold winners.

At all voting stages, a judge's vote will not be counted for any entry submitted by his or her own company(ies) in his or her own country. We will also remove votes from Judges with a regional or global role accordingly.

The decision of the Juries in all matters relating to the awarding of prizes will be final and binding.

Awards credit and the associated trophies and certificates will be given to the entrant company. Duplicate trophies can be purchased by other participating parties after the Festival. Shortlisted entries will receive a certificate.

The 2015 Awards process, including the appointment of the Presidents and Jurors, will be independently audited by PWC.
