

MEDIA LIONS

The Media Lions celebrate the context of creativity. Entries will need to demonstrate an inspiring and innovative implementation of ideas; that is work which is enhanced and amplified by a game-changing channel strategy.

- A number of criteria will be considered during judging and weighted as follows: 30% insight and idea, 20% strategy and targeting; 20% execution; 30% impact and results.
- The same piece of work can only be entered four times into Media. However, the same piece of work may only be entered once in 'A. Sectors'.

Tips from the Jury

- 'Nothing sells your entry like a strong video tailored to the unique attributes of the category.'
- 'Craft a simple story for your entry that focuses on the key elements and milestones and don't forget to include actual business results.'
- 'It's less about video quality or slickness of the story and more so about getting the main point across in that 2 minute window clearly and powerfully.'
